

LOGO/IMPRINTED GOLF BALLS

Did you know that you can purchase as few as 6 dozen golf balls, get whatever you want imprinted on them (name; initials; etc.), and pay less than what I charge per dozen for golf balls normally?

Did you know that I can get your company any golf ball, put their logo on it, and drop-ship it anywhere you want for only a small percentage over what I pay wholesale?

Would you believe that I can virtually guarantee I can beat any price you have either paid or been quoted for logo/imprinted golf balls? (And if I can't, I'll be the first to tell you what a great deal you are getting!!!)

Now is the perfect time to evaluate your golf ball needs for the upcoming golf season. Whether you want to stock up with 12 dozen of the golf ball you play, or buy 5000 dozen balls for your company, I can put together a great deal for you!!

You might be surprised at how inexpensive it is to purchase logo or imprinted golf balls. I would be happy to discuss your needs with you, so give me a call if I can be of service!
