Barclay Caterers

The logo for Barclay Caterers is a black and white illustration of a hand holding a large, ornate, dome-shaped object, possibly a ceremonial hat or a piece of jewelry, with a small crown on top.

When you are marking an important milestone; when you love your guests and want them to be pampered; when you demand elegant service, exquisite presentation, and distinctive cuisine, it has to be Barclay Caterers. Established in 1966, we've been privileged to be part of your lives, at every joyous occasion. Our family works with your family to create your perfect day, a perfect work of art.

At Barclay Caterers, we're known for creating not only a menu, but an entire event that revolves around you and your special occasion. Because food is an important part of our business, we appreciate hearing, "we loved the food". But what truly sets us apart is that our clients continually tell us that all of the elements came together to create a complete and memorable experience.

Each menu is custom designed for your occasion, and expertly prepared on site from the freshest ingredients. Barclay Caterers, now available at Les Jardins, elevates Kosher cuisine to an art form. Operating under the strictest standards of Glatt Kosher Kashrut, we are Exclusively and Exquisitely Kosher.
