- *What does Talamore mean?*

The name Talamore is Gaelic for **'land of great value'**.

- *What does Applecross mean?*

The origin of the Applecross name comes from a peninsula off the West Coast of Scotland. This area, known for its peaceful landscape, is a reflection of the pristine rolling hills of East Brandywine.

- *What makes The Talamore Family of Club so unique when compared to other Clubs?*

The most unique aspect of The Talamore Family of Clubs is our Seamless Multi-Club Membership. Because our Clubs have similar ownership interests, we are able to offer Chester County, PA, Montgomery County, PA, and Pinehurst, NC, a premier Membership opportunity. Members in the Talamore Family network have 100% golf reciprocity with each Club based on their category of Membership selected.*

World class golf and Club facilities grace each of our properties. Legendary golf designers including Nicklaus, Palmer, and Jones have each put their stamp on the Talamore courses. Coupled with state-of-the-art fitness centers, pools, tennis, walking trails, golf practice facilities and dining facilities, our facilities and services are unique and unparalleled.

We are firm believers that the great Country Clubs of the future will be measured by facility and Membership diversity coupled with management that is driven to provide "best in class" service. Servicing the needs of today's Club Member is an ever evolving and changing process. The old "one-size-fits-all" Country Club approach that the majority of the Club industry pursues simply does not fit today's Member and their lifestyle. We have the broadest and most diverse Membership coupled with the most modern facilities of any Club in the region.

And best of all...NO ASSESSMENTS!

- *What Membership privileges are available with the Talamore Clubs in Pinehurst, NC?*

Additional "seamless" Membership privileges are available at our Pinehurst, North Carolina Clubs. Two world class golf courses designed by Rees Jones and Arnold Palmer are accompanied by multiple on-site lodging options including spacious Villas and our new luxurious Lodges. Walking trails, tennis and two pools are also available.

- *Do I need to know a Member, be sponsored by a group of Members?*

No. Membership Applications are subject to review and approval by Club Management. Sponsorship by and or knowing a Member is not required. Our Membership Director can walk you through the details and application for Membership.

- *When are Dues required to be paid?*

Dues are payable at the time of application. Dues are billed annually with payment due by Dec 31st for the following year. Some Memberships may be pro-rated in their first year. Payment Plans are available, subject to an additional fee.

- *How am I billed for regular club charges such as food and beverage, cart fees, etc?*

Members maintain a credit card on file which is charged at the time of service. Members may change their credit card number by contacting your Membership Director. The Club also accepts cash or checks.
